<b>PARADE RULES</b>
---------------------

**Please read and acknowledge your acceptance of the following:**

- Adequate supervision of all children participating in the Parade must be provided.
- Children riding on floats will be supervised by an adult.
- Riders may not mount or dismount the float or tow vehicle when it is in motion.

- Riders may not stand, jump, dance or dangle any body part over the edge when the float is in motion.
- Riders should not ride on the edge of the float and no jumping on or off a moving float should be permitted.
- Rider seats must be secured to the float deck. For maximum protection a guardrail barrier should be erected along the exposed sides and ends of platforms to prevent falls of persons out of the float.
- Personal Protective Equipment and/or railings must be used if the participant's head is above 8 ft. from the ground, OR the participant must be sitting for the duration of the parade. Our goal is simply to ensure nobody is hurt by falling of a float.
- While travelling along the route, participants must keep up with the float in front of them. No stopping is allowed along the route to ensure even flow from the first float to the last without any gaps or a disruption in flow of parade traffic.
- **For safety purposes, candy and/or promotional items MUST BE HANDED OUT. DO NOT THROW ITEMS FROM YOUR VEHICLE. As per our insurance requirements, throwing of candy or items is NOT ALLOWED.**
- Any animals prior to or during the parade being seen as acting erratically will be asked to exit the parade route.
- The float driver must be an 18+ Adult with a valid Driver's License and at least one 16 years or older passenger side spotter. For large vehicles (semi, tractor) two spotters either inside the vehicle or walking are required.
- Even though the two spotters may not be operating the vehicle, knowledge of vehicle operations is required to keep the public and float participants safe. Driver must be able to see 180 degrees in front of the vehicle and 4 ft. or less in front of the vehicle. Some vehicles don't allow the driver to see children running up (ie Farm Machinery) and may require more 16+ spotters who are agile and in good physical health.
- Livestock participants under the age of 16 are required to wear proper protective helmets.
- Off Road Vehicles (OHVs) must arrange/provide insurance.
- Any motor vehicle that qualifies as per Alberta legislation must have valid insurance.
- The driver must keep both hands on the wheel the entire parade. No use of cell phones or cameras etc. All distracted driving and provincial safety laws still apply.
- There will be parade officials stationed along the parade route and should the driver be caught operating in an unsafe manner they may be subject to disciplinary action from the parade committee. The officials will have a stop sign and the driver must obey the stop sign.
